Uniform Law Commission

The Uniform Law Commission (ULC), now 120 years old, promotes uniformity of law among the several states on subjects as to which uniformity is desirable and practicable. The ULC improves the law by providing states with non-partisan, carefully-considered, and well-drafted legislation that brings clarity and stability to critical areas of the law. The ULC's work supports the federal system, seeks to maintain an appropriate balance between federal and state law, and facilitates the movement of individuals and the business of organizations with rules that are consistent from state to state.

Uniform Law Commissioners must be lawyers, qualified to practice law. They are lawyer-legislators, attorneys in private practice, state and federal judges, law professors, and legislative staff attorneys, who have been appointed by state governments as well as the District of Columbia, Puerto Rico, and the U.S. Virgin Islands to research, draft and promote enactment of uniform state laws in areas where uniformity is desirable and practical.

INTRODUCTION

This publication is a guide to uniform and model acts promulgated by the Uniform Law Commission and currently recommended for enactment. It is prepared for the use of legislators, legislative drafting bureaus, commissioners, and others interested in state legislation.

It can be used in several ways to locate uniform and model laws for use in drafting legislation in your state:

- To locate a law dealing with a topic on which legislation is desired in your state.
- To locate laws dealing with topics on which other states have enacted legislation, which may suggest desirable topics for legislation in your state.
- To locate unadopted laws which are related to uniform laws already adopted in your state.
- To locate new laws which supersede old laws still in effect in your state.

This guide has these special features:

- A subject-matter index identifies laws dealing with a particular area of the law.
- An index to the Target List.

Targets are uniform acts that are prioritized in a given legislative session based on several criteria, including:

- the relative importance of the subject matter to the ULC’s overall portfolio;
- the likelihood of wide adoption, including a track record to that effect;
- the relative level of stakeholder support;
- the status of the act (are amendments or revisions currently being contemplated?);
- the suitability of the act for direct introduction without significant preparation or lead time;
- the implication of state subject matter jurisdiction (i.e. federal preemption) or involvement of the UCC.

Targets to Complete are uniform acts already adopted in a significant number of jurisdictions, where attaining national uniformity is deemed desirable and attainable.

- An enactment chart shows precisely where each act has been adopted.

PLEASE NOTE:

- The term “related acts” in this Guide refers to other related acts described in this Guide.
- The year which follows the title of each act is the year of promulgation. Each year thereafter refers to the year the act was amended or revised.
- An asterisk (*) indicates that the act is currently being revised by the Uniform Law Commission.
- The term “adoptions” in this Guide refers to adoptions by the 50 states, the District of Columbia, Puerto Rico, and the U.S. Virgin Islands. It includes adoptions through September 30, 2011.
- An act is designated as “Uniform” if there is substantial reason to anticipate enactment in a large number of jurisdictions, and uniformity of the provisions of the act among the various jurisdictions is a principal objective.
- An act is designated as “Model” if uniformity may be a desirable objective, although not a principal objective, and the act may promote uniformity and minimize diversity, even though a significant number of jurisdictions may not adopt the act in its entirety, or the purposes of the act can be substantially achieved, even though it is not adopted in its entirety by every state.

UNIFORM ADULT GUARDIANSHIP AND PROTECTIVE PROCEEDINGS JURISDICTION ACT (2007)

Adoptions:..... 30

Purpose:..... This act addresses the issue of jurisdiction over adult guardianships, conservatorships, and other protective proceedings. Because there are more than fifty guardianship systems in the United States, problems of determining jurisdiction are frequent. This act provides an effective mechanism for resolving multi-state jurisdictional disputes. It contains specific guidelines to specify which court has jurisdiction to appoint a guardian or conservator for an incapacitated adult. The objective is that only one state will have jurisdiction at any one time.

Related Acts:..... Child Custody Jurisdiction and Enforcement; Probate Code.

UNIFORM ANATOMICAL GIFT ACT (2006)(2007)

Adoptions..... 46

Purpose..... This Act revises the Uniform Anatomical Gift Acts of 1968 and 1987 in light of changes in federal law and regulations, and related developments in the field of organ donation. Like the prior versions, the new UAGA provides that any individual may make an anatomical gift by signing a document of gift. No witnesses are necessary for this document, and the donor's wishes are not subject to change by others. The revision also expands the number of individuals allowed to consent to make anatomical gifts, and encourages the use of donor registries and provides standards for their operations.

Related Acts..... Determination of Death; Health-Care Decisions.

Supersedes..... Anatomical Gift (1968)(1987).

UNIFORM BUSINESS ORGANIZATIONS CODE (2011)

UNIFORM CERTIFICATE OF TITLE FOR VESSELS ACT (2011)

Adoptions..... 0

Purpose..... The Uniform Certificate of Title for Vessels Act establishes a certificate of title system for boats and other watercraft. The major objectives of the Act are to: (1) qualify as a state titling law that the Coast Guard will approve; (2) facilitate transfers of ownership of a vessel; (3) deter and impede the theft of vessels by making information about the ownership of vessels available to both government officials and those interested in acquiring an interest in a vessel; (4) accommodate existing financing arrangements for vessels; and (5) provide certain consumer protections when purchasing a vessel through the Act's branding initiative.

Collaborative law is now used mainly in family law disputes, but its practice has spread to other areas of the law, including the settlement of contract and insurance disputes. The Act encourages the development and growth of collaborative law as an option for parties that wish to use it. The Act mandates the essential elements of disclosure and discussion between prospective parties in order to guarantee that all parties enter into the collaborative agreement with informed consent. Amendments approved in 2010 create an explicit mechanism for the operative provisions of the act to be adopted in rule, rather than statute.

This Act addresses the various penalties and disqualifications that individuals face incidental to criminal sentencing, which are often known as “collateral consequences” and include such penalties as disqualification from voting, prohibitions from running for office, exclusion from certain types of employment, etc. The Act improves the understanding of such penalties, and in appropriate circumstances, offers a mechanism to provide partial relief from the disabilities. The provisions in the Act are largely procedural, and designed to rationalize and clarify policies and provisions which are already widely accepted by the states. Amendments approved in 2010 responded to the Supreme Court decision in *Padilla v. Kentucky*.

MODEL RULES RELATING TO DISCOVERY OF ELECTRONICALLY STORED INFORMATION (2007)

Adoptions:..... 1

Purpose:..... The primary purpose of the new uniform rules is to provide states with up-to-date rules for the discovery of electronic documents in civil cases. With the emergence of electronic technology, the extent to which individuals and institutions store or maintain information in an electronic form has clearly increased since the adoption of rules governing discovery generally. By some estimates, more than 90% of corporate information is being stored in some sort of digital or electronic format. This new act mirrors the recently adopted amendments to the Federal Rules of Civil Procedure dealing with electronically stored information.

UNIFORM TRUST CODE, INSURABLE INTEREST AMENDMENTS TO THE (2010)

Adoptions:..... 4

Purpose:..... The amendments attempt to clarify, with respect to trusts, what constitutes an “insurable interest” for purposes of insurance law, while at the same time allowing for the transfer of interest in insurance as property. Personal life insurance trusts are a key component of most modern estate plans, and trust and estate planners create them routinely.

Related Acts:..... Trust Code.

UNIFORM UNCLAIMED PROPERTY ACT (1995)

Adoptions..... 16

Purpose..... Provides a system for transferring intangible personal property and personal property in safety deposit accounts, held by an entity other than the rightful owner, to the state when it is deemed abandoned by the rightful owner. The state holds the property for the rightful owner in perpetuity. This act updates the 1981 version, which was adopted in 29 states.

Supersedes..... Disposition of Unclaimed Property (1954); Unclaimed Property (1981).

UNIFORM UNINCORPORATED NONPROFIT ASSOCIATION ACT (2008)

Adoptions..... 4

Purpose..... This act, a revision of the Uniform Unincorporated Nonprofit Association Act of 1996, governs all unincorporated nonprofit associations (UNAs) that are formed or operate in a state that adopts the act. There are hundreds of thousands of UNAs in the United States, including educational, scientific and literary clubs, sporting organizations, political organizations, neighborhood associations and the like. The Revised Act (RUUNAA) provides a basic legal framework for the operation of UNAs. The revised act extends the nature of UNAs as distinct entities by allowing qualified associations to exist in perpetuity where necessary or convenient to carry out its purposes. The Revised Act improves upon its predecessor by providing additional guidance, incorporating a number of modern practices, and by eliminating potential conflicts with other bodies of law.

Related Acts..... Business Organizations; Limited Liability Company; Limited Partnership; Partnership; Prudent Management of Institutional Funds.

UNIFORM UNSWORN FOREIGN DECLARATIONS ACT (2008)

Adoptions..... 15

Purpose..... This Act will permit, in state court proceedings, unsworn declarations under penalty of perjury to be executed by witnesses physically located outside the boundaries of the United States in lieu of affidavits, verifications, or other sworn court filings. Under the Act, unsworn declarations cannot be used for depositions, oaths of office, oaths related to self-proved wills, declarations recorded under certain real estate statutes, and oaths required to be given before specified officials other than a notary.

MODEL VICTIMS OF CRIME ACT (1992)
