Uniform Law Commission

The Uniform Law Commission (ULC), now 126 years old, promotes uniformity of law among the several states on subjects as to which uniformity is desirable and practicable. The ULC improves the law by providing states with non-partisan, carefully-considered, and well-drafted legislation that brings clarity and stability to critical areas of the law. The ULC's work supports the federal system, seeks to maintain an appropriate balance between federal and state law, and facilitates the movement of individuals and the business of organizations with rules that are consistent from state to state.

Uniform Law Commissioners must be lawyers, qualified to practice law. They are lawyer-legislators, attorneys in private practice, state and federal judges, law professors, and legislative staff attorneys, who have been appointed by state governments as well as the District of Columbia, Puerto Rico, and the U.S. Virgin Islands to research, draft and promote enactment of uniform state laws in areas where uniformity is desirable and practical.

INTRODUCTION

This publication is a guide to uniform and model acts promulgated by the Uniform Law Commission and currently recommended for enactment. It is prepared for the use of legislators, legislative drafting bureaus, commissioners, and others interested in state legislation.

It can be used in several ways to locate uniform and model laws for use in drafting legislation in your state:

- To locate a law dealing with a topic on which legislation is desired in your state.
- To locate laws dealing with topics on which other states have enacted legislation, which may suggest desirable topics for legislation in your state.
- To locate unadopted laws which are related to uniform laws already adopted in your state.
- To locate new laws which supersede old laws still in effect in your state.

This guide has these special features:

- A subject-matter index identifies laws dealing with a particular area of the law.
- An index to the Target List.

Targets are uniform acts that are prioritized in a given legislative session based on several criteria, including:

- the relative importance of the subject matter to the ULC’s overall portfolio;
- the likelihood of wide adoption, including a track record to that effect;
- the relative level of stakeholder support;
- the status of the act (are amendments or revisions currently being contemplated?);
- the suitability of the act for direct introduction without significant preparation or lead time;
- the implication of state subject matter jurisdiction (i.e. federal preemption) or involvement of the UCC.

Targets to Complete are uniform acts already adopted in a significant number of jurisdictions, where attaining national uniformity is deemed desirable and attainable.

- An enactment chart shows precisely where each act has been adopted.

PLEASE NOTE:

- The term “related acts” in this guide refers to other related acts described in this guide.
- The year which follows the title of each act is the year of promulgation. Each year thereafter refers to the year the act was amended or revised.
- An asterisk (*) indicates that the act is currently being revised by the Uniform Law Commission.
- The term “adoptions” in this guide refers to adoptions by the 50 states, the District of Columbia, Puerto Rico, and the U.S. Virgin Islands. It includes adoptions through September 30, 2017.
- An act is designated as “Uniform” if there is substantial reason to anticipate enactment in a large number of jurisdictions, and uniformity of the provisions of the act among the various jurisdictions is a principal objective.
- An act is designated as “Model” if uniformity may be a desirable objective, although not a principal objective, and the act may promote uniformity and minimize diversity, even though a significant number of jurisdictions may not adopt the act in its entirety, or the purposes of the act can be substantially achieved, even though it is not adopted in its entirety by every state.

UNIFORM AND MODEL ACTS

UNIFORM ADULT GUARDIANSHIP AND PROTECTIVE PROCEEDINGS JURISDICTION ACT (2007)

Adoptions..... 48

Purpose..... This act addresses the issue of jurisdiction over adult guardianships, conservatorships, and other protective proceedings. Because there are more than fifty guardianship systems in the United States, problems of determining jurisdiction are frequent. This act provides an effective mechanism for resolving multi-state jurisdictional disputes. It contains specific guidelines to specify which court has jurisdiction to appoint a guardian or conservator for an incapacitated adult. The objective is that only one state will have jurisdiction at any one time.

Related Acts..... Child Custody Jurisdiction and Enforcement; Guardianship, Conservatorship, and Other Protective Arrangements; Probate Code.

UNIFORM ANATOMICAL GIFT ACT (2006)(2007)

Adoptions..... 48

Purpose..... This act revises the Uniform Anatomical Gift Acts of 1968 and 1987 in light of changes in federal law and regulations, and related developments in the field of organ donation. Like the prior versions, the new UAGA provides that any individual may make an anatomical gift by signing a document of gift. No witnesses are necessary for this document, and the donor's wishes are not subject to change by others. The revision also expands the number of individuals allowed to consent to make anatomical gifts, and encourages the use of donor registries and provides standards for their operations.

Related Acts..... Determination of Death; Health-Care Decisions.

Supersedes..... Anatomical Gift (1968)(1987).

MODEL APPORTIONMENT OF TORT RESPONSIBILITY ACT (2002)(2003)

The major objectives of the act are to: (1) qualify as a state titling law that the Coast Guard will approve; (2) facilitate transfers of ownership of a vessel; (3) deter and impede the theft of vessels by making information about the ownership of vessels available to both government officials and those interested in acquiring an interest in a vessel; (4) accommodate existing financing arrangements for vessels; and (5) provide certain consumer protections when purchasing a vessel through the act’s branding initiative.

Related Act Certificate of Title.

UNIFORM CERTIFICATION OF QUESTIONS OF LAW ACT (1995)

This act limits child custody jurisdiction to one state, avoiding competing orders, and provides enforcement provisions for child custody orders. The act encourages the development and growth of collaborative law as an option for parties that wish to use it. The act mandates the essential elements of disclosure and discussion between prospective parties in order to guarantee that all parties enter into the collaborative agreement with informed consent. The provisions in the act are largely procedural, and designed to rationalize and clarify policies and provisions which are already widely accepted by the states. Importantly, UCIOA gives greater flexibility to association governing boards with regard to enforcement of the declaration, bylaws, and rules of the association. The 2008 amendments also modernize UCIOA with respect to electronic commerce and practice. UNIFORM RECOGNITION OF SUBSTITUTE DECISION-MAKING DOCUMENTS ACT (2014)

Adoptions..... 3

Purpose..... The uniform act is a joint endeavor of the Uniform Law Commission and the Uniform Law Conference of Canada. The project was undertaken to promote the portability and usefulness of substitute decision-making documents for property, health-care, and personal care, without regard to whether the documents are created within or outside of the jurisdiction where a substitute decision is needed. Common examples of substitute decision-making documents include powers of attorney and proxy delegations for personal decision making.

MODEL REGISTERED AGENTS ACT (2006)

Adoptions..... 13

Purpose..... This act provides states with one registration procedure for registered agents no matter the kind of business entity represented by the agent. Since almost every state requires an entity created in another jurisdiction to designate a registered agent for service of process and other legal proceedings, this act should simplify registration procedures by providing one registered agent database in each state.

Purpose..... Creates a statutory framework for regulating virtual currency business activity, which includes businesses engaged in the exchange of virtual currencies for cash, bank deposits, or other virtual currencies; the transfers of virtual currency between customers; and certain custodial or fiduciary services. The act's unique, three-tiered structure clarifies whether an individual or company engaging in virtual currency business activity is (1) exempt from the act; (2) must register; or (3) must obtain a license.

MODEL REPRESENTATION OF CHILDREN IN ABUSE, NEGLECT, AND CUSTODY PROCEEDINGS ACT (2006)(2007)

Adoptions..... 0

Purpose..... This act seeks to improve the representation of children in proceedings directly affecting their custody by clearly defining the roles and responsibilities of children's representatives (child-directed counsel, 'best interests' counsel, and non-attorney advocates) and by providing guidelines to courts in appointing representatives. With respect to abuse and neglect cases, while federal law requires the appointment of a 'guardian ad litem' to represent the interests of a child, the URCANCPA goes further by mandating the appointment of a licensed attorney.

UNIFORM RESIDENTIAL LANDLORD AND TENANT ACT, REVISED (2015)

Adoptions..... 0

Purpose..... The Revised Uniform Residential Landlord and Tenant Act is an updated version of the Uniform Residential Landlord and Tenant Act, which was first promulgated in 1972, last amended in 1974, and enacted in more than 20 states. The revised act includes new articles covering the disposition of tenant property in case of abandonment or death, lease termination in case of domestic violence or sexual assault, and the handling of security deposits and unearned rent. The revised act also includes an appendix for states that only want to enact the updated provisions.

Related Acts..... Determination of Death; Multiple-Person Accounts; Probate Code.

MODEL STATE ADMINISTRATIVE PROCEDURE ACT (2010)

Adoptions..... 0

Purpose..... This act is an update of both the 1961 and 1980 Model State Administrative Procedure Acts. Consistent with both the 1961 MSAPA and the 1981 MSAPA, this act provides for a uniform minimum set of procedures to be followed by agencies subject to the act. The act creates only procedural rights and imposes only procedural duties. Throughout the act there are provisions that refer generally to other state laws governing related topics. When specific state laws are inconsistent with the provisions of the act, those specific state laws will be controlling.

MODEL STATUTE AND RULE CONSTRUCTION ACT (1995)

Adoptions..... 1

Purpose..... Provides guidelines for drafting and interpreting a state's statutes and administrative rules.

Related Act Certification of Questions of Law.

Supersedes..... Model Statutory Construction (1965).

UNIFORM STATUTORY RULE AGAINST PERPETUITIES (1986)(1990)

Adoptions..... 27

Purpose..... Modernizes one part of the law of estates, trusts and future interests. Preserves some future interests that would be declared void by outmoded technicalities in the common-law rule against perpetuities.

Related Acts..... Probate Code; Trust Code.

UNIFORM STATUTORY TRUST ENTITY ACT (2009)

Adoptions..... 2

Purpose..... This act governs the use of statutory trusts as a mode of business organization. A statutory trust provides a flexible business entity that can be used as an alternative to the partnership, limited partnership, limited liability company, and corporate forms of organization. Statutory trusts are commonly used in the mutual fund and securitization industries, and it is also used in certain tax-advantaged real estate transactions. The uniform act modernizes the existing, but outdated, laws governing these types of entities.

Related Act Business Organizations.

UNIFORM TESTAMENTARY ADDITIONS TO TRUSTS ACT (1991)

Adoptions..... 24

Purpose..... Modernizes trust and estate law by permitting "pour-over" provisions in wills. These commonly-used provisions merely add money or other property passing at death through probate to *inter vivos* trusts, but may be invalidated by outmoded and overly technical rules. The 1991 amendments expressly permit pour-overs into otherwise unfunded trusts and eliminate the requirement that the trust writing exist when the will is executed.

UNIFORM TRUST CODE, INSURABLE INTEREST AMENDMENTS TO THE (2010)

Adoptions..... 7

Purpose..... The amendments attempt to clarify, with respect to trusts, what constitutes an “insurable interest” for purposes of insurance law, while at the same time allowing for the transfer of interest in insurance as property. Personal life insurance trusts are a key component of most modern estate plans, and trust and estate planners create them routinely.

Related Act Trust Code.

UNIFORM TRUST DECANTING ACT (2015)

Adoptions..... 5

Purpose..... “Decanting” is the term used to describe the distribution of assets from one trust into a second trust, like wine is decanted from the bottle to another vessel. Decanting can be a useful strategy for changing the outdated terms of an otherwise irrevocable trust, but can also be abused to defeat the settlor’s intent. The Uniform Trust Decanting Act provides sound rules for reforming an irrevocable trust document within the bounds of the trustee’s discretion and subject to the trustee’s fiduciary duties. The act also prevents decanting when it would defeat a charitable or tax-related purpose of the settlor.

UNIFORM UNCLAIMED PROPERTY ACT (2016)

UNIFORM UNINCORPORATED NONPROFIT ASSOCIATION ACT (2008)

Adoptions..... 6

Purpose..... This act, a revision of the Uniform Unincorporated Nonprofit Association Act of 1996, governs all unincorporated nonprofit associations (UNAs) that are formed or operate in a state that adopts the act. There are hundreds of thousands of UNAs in the United States, including educational, scientific and literary clubs, sporting organizations, political organizations, neighborhood associations and the like. The revised act (RUUNAA) provides a basic legal framework for the operation of UNAs. The revised act extends the nature of UNAs as distinct entities by allowing qualified associations to exist in perpetuity where necessary or convenient to carry out its purposes. The revised act improves upon its predecessor by providing additional guidance, incorporating a number of modern practices, and by eliminating potential conflicts with other bodies of law.

Purpose..... The Uniform Voidable Transactions Act (formerly the Uniform Fraudulent Transfer Act) provides a creditor with the means to reach assets a debtor has transferred to another person to keep them from being used to satisfy a debt. The 2014 amendments address a small number of narrowly-defined issues, including a new Section 10 which sets forth a choice of law rule for claims of the nature governed by the act, as well as the addition of uniform rules allocating the burden of proof and defining the standard of proof with respect to claims and defenses under the act.

Supersedes..... Fraudulent Conveyance (1918).

UNIFORM WAGE GARNISHMENT ACT (2016)

Adoptions..... 0

Purpose..... Currently, every state has a different wage garnishment law and process. This means that employers who do business across multiple states must know and abide by a different, and often complex, law for each jurisdiction. If employers make processing errors calculating garnishments, they may face civil penalties. This act seeks to simplify and clarify wage garnishments for employers, creditors, and consumers by standardizing how the wage garnishment process works and offering plain-language notice and garnishment calculation forms.

MODEL WAGE WITHHOLDING AND UNEMPLOYMENT INSURANCE PROCEDURE ACT (2004)
